Logged in? Here’s what you can do now.

Search
Search the entire community or navigate to your areas of interest for a more targeted search. Pro tip: use the drop-down in the search bar to broaden or narrow options.

Ask a question
Click the plus sign in the “Create Content” section.

Answer a question
Click “Reply” on any discussion post to share your expertise.

Say “Thank You”
Click the “Helpful” star to say “thank you.” Accept an answer as a solution to make it easier for other community members to find.

Create your profile
Tell your peers who you are and your areas of expertise. Pro tip: upload a photo, write a bio, and add social media links.

Stay informed
- Notification: Subscribe to a board, label or post.
- Need or want subscriptions? You’ll get an email notification when a new post/label is added.
- Post/Subscription: You’ll get an email notification when a reply to your comment is added.

What else can you do in the community?
Share even more!
Under “Create Content,” you can share about a project, create documents, and upload videos.

Connect with Cisco
Learn from experts and hone your skills by attending interactive community events.

Some of the topics you may be interested in include:
- Troubleshooting
- Best practices
- Product updates
