

# Attending Cisco Live London?

Register for a Technical Seminar with our Cisco Software SMEs:

<http://www.ciscolive.com/london/registration-packages/>

Session Title	Session Number
Advanced LISP Techtorial	TECIPM-3191
Advanced Network Automation	TECNMS-3601
Application Awareness in the network; the Route to Application Visibility and Control	TECRST-2672
Converged Access: Wired/Wireless System Architecture, Design and Operations	TECCRS-2678
Enterprise QoS Design Strategy	TECRST-2501
IP Mobility Deep Dive	TECSPG-3668
IPv6 for Dummies: An Introduction to IPv6	TECMPL-2192
IPv6 Security	TECRST-2680
Scaling the IP NGN with Unified MPLS	TECNMS-3601
Software Defined Networking and Use Cases	TECSPG-2667
Understanding and Deploying IP Multicast Networks	TECIMP-1008
