

Secure. Mobile.

Powerfully Simple.

simple. 

*Accelerate Your City
& State with Webex*

Today's
Webinar Theme:

Connect My Teams

with Intuitive Collaboration

Better Meetings: Teams move work forward – before, during, and after

Ease of Use: Easy to join and collaborate, regardless of location or device

Industry-leading Security: Keeps data and information safe, however your teams want to access it

Scalability: Whether for 10 people or 1,000+, your meetings and workspaces offer the same frictionless experience

Our Speaker

Desmond Racicot

Former New York Police Chief
