# NSO Digital Ecosystem

# NSO Ecosystem Strategy

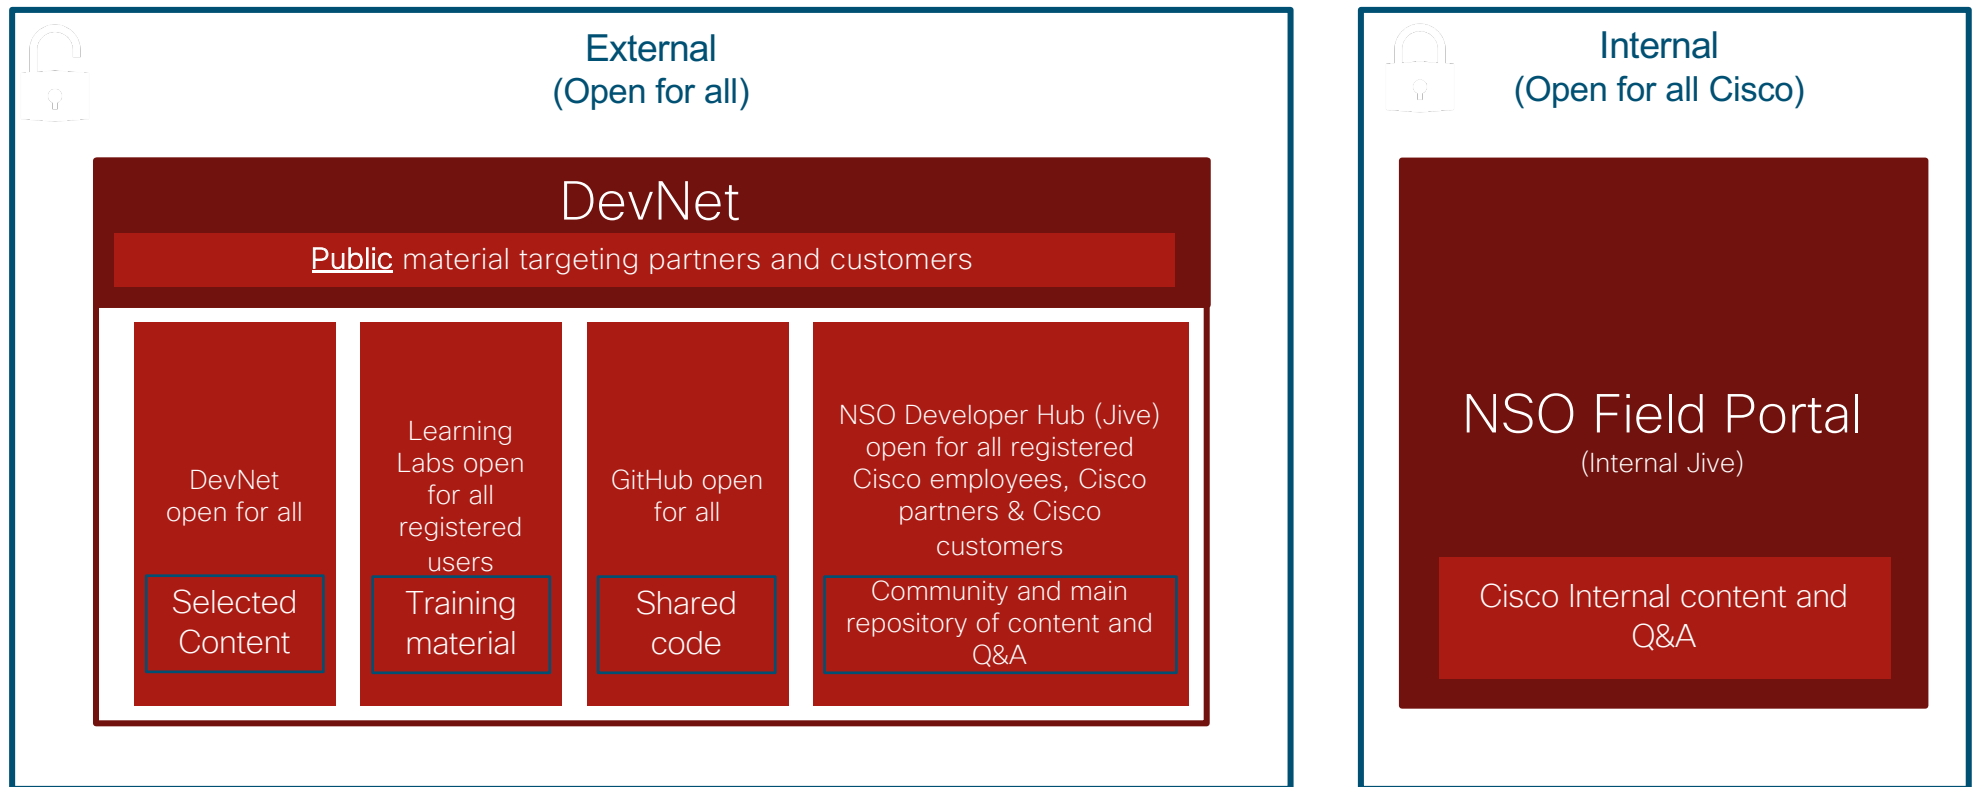

## What

The NSO Digital Ecosystem is a platform for **collaboration** for the entire **NSO product suite** and consist out of two virtual places; the external\* NSO DevNet and the internal\*\* NSO Field Portal.

## Why

The main purpose is to further improve NSO value by helping **New and Seasoned practitioners** to drive NSO experiences and inviting **Customers** to the Opportunities of NSO.
