

Have that face-to-face catch-up, anywhere.

## Stay in the loop.

Been away on vacation?

Catching up on the latest is a must but it's hard to have that informal chat when your teammates are in different locations or you're working from home.

Call you teammate directly from a DX and get the low-down on what's been happening while you were away.

Grab a coffee and relax. HD video and crystal-clear audio will put you in the same room.

Try today, it's easier than you think.

### **Mission 1** **CALL YOUR TEAMMATE**

Type in your teammate's name or email to give them a ring. Or, have them walk to their nearest video device and tell you its name. Call from your DX and get talking.
