# Introduction

**Host Report: 10.1.0.0/16**

This report provides information about the host 10.1.0.0/16.

It includes information about:

- Applications being used and served by the host
- Intrusion events that the host has been involved with
- Connections that the host has established
- Users of the host
- White list violations by the host

# Server Applications

**Constraints:** *IP Address = 10.1.0.0/16*

This table provides information about the applications being served by the host.

| Port | Protocol | Application Protocol | Vendor | Version |
|------|----------|----------------------|--------|---------|

# Client Applications

**Time Window:** *2021-05-01 00:00:00 - 2021-06-30 23:59:00*
**Constraints:** *Initiator IP = 10.1.0.0/16*

Client applications used by the host, along with their associated bandwidth utilization, are listed below.

| Client | Traffic (KB) |
|--------|--------------|

**No data to display**

# Intrusion Events Originating from This Host

**Time Window:** *2021-05-01 00:00:00 - 2021-06-30 23:59:00*
**Constraints:** *Source IP = 10.1.0.0/16*

This table lists intrusion events that this host has originated.

| Impact | Classification | Message | Destination IP | Destination Port / ICMP Code | Count |
|--------|----------------|---------|----------------|------------------------------|-------|

# Intrusion Events Destined to This Host

**Time Window:** *2021-05-01 00:00:00 - 2021-06-30 23:59:00*
**Constraints:** *Destination IP = 10.1.0.0/16*

This table lists intrusion events that this host has been the target of.

| Impact | Classification | Message | Source IP | Destination Port / ICMP Code | Count |
|---|---|---|---|---|---|

# Connections Originating from This Host

**Time Window:** *2021-05-01 00:00:00 - 2021-06-30 23:59:00*
**Constraints:** *Initiator IP = 10.1.0.0/16*

This table lists connections that have been initiated by this host, by IP address of the destination.

| Responder IP | Count |
|---|---|

**No data to display**

# Connections Destined to This Host

**Time Window:** *2021-05-01 00:00:00 - 2021-06-30 23:59:00*
**Constraints:** *Responder IP = 10.1.0.0/16*

This table lists connections that have been destined to this host, by IP address of the initiator of the connection.

| Initiator IP | Count |
| --- | --- |

**No data to display**

# Users of This Host

**Time Window:** *2021-05-01 00:00:00 - 2021-06-30 23:59:00*
**Constraints:** *IP Address = 10.1.0.0/16*

Users who have been associated with this host are listed below.

| Username | Count |
|----------|-------|

**No data to display**

# White List Violations by This Host

**Constraints:** *IP Address = 10.1.0.0/16*

If you have set up a white list, violations of the white list by this host are listed below.

| White List | Information | Time |
| --- | --- | --- |
