Observabilidade para Devs

Trabalhando com AppDynamics & ThousandEyes

Lucas Pavanelli

lpavanel@cisco.com

Systems Engineer

Renata Correa

resilva@cisco.com

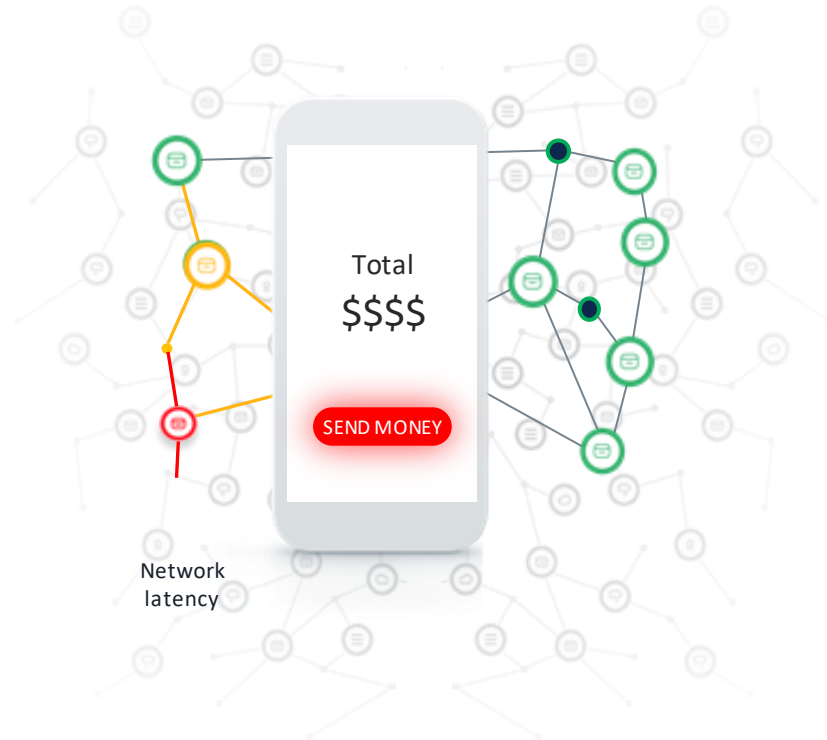

Partner Systems Engineer

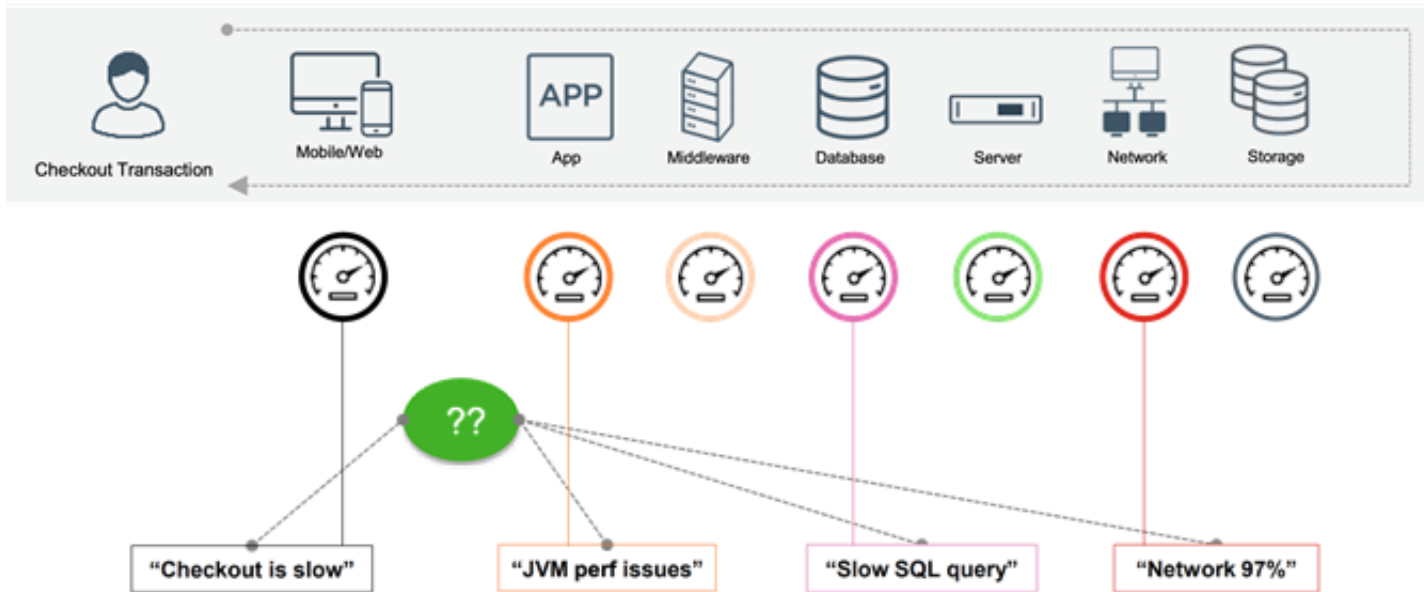

AGENDA

- Full-Stack Observability
- Thousand Eyes
- AppDynamics
- Intersights

Porque é importante?

Arquitecturas distribuídas e ambientes híbridos

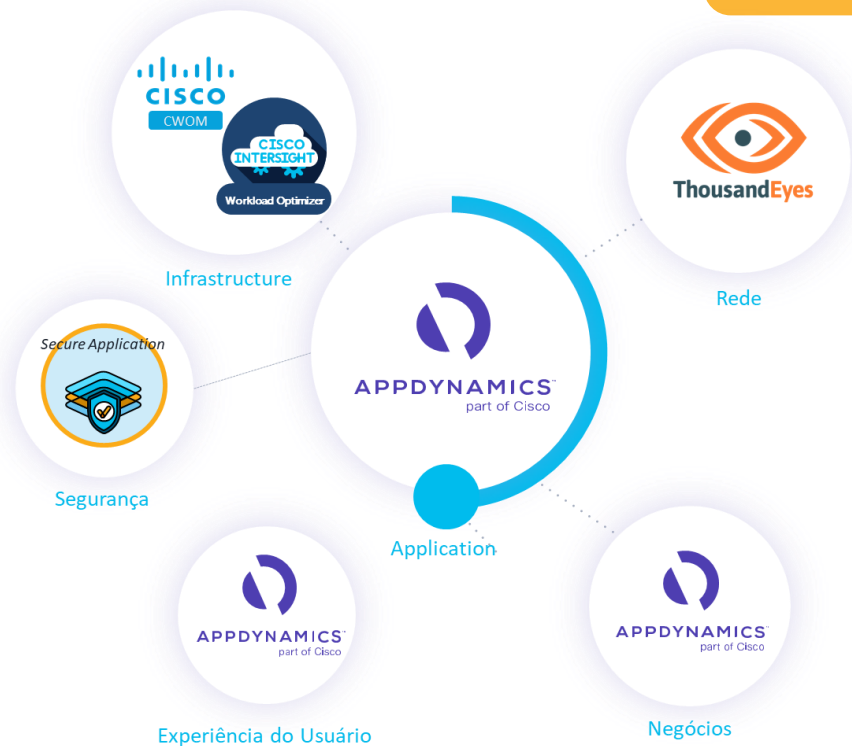

Muito dado, pouco contexto

A transformação digital traz desafios

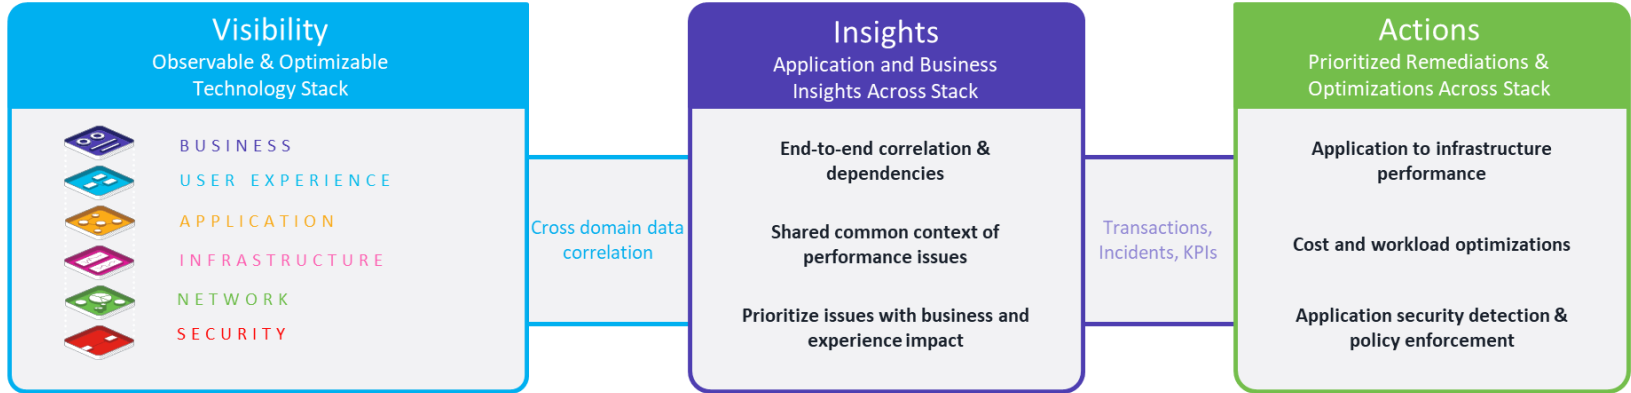

A Cisco te ajuda a lidar com eles

Observabilidade com contexto de negócio

Prioritize issues with business context

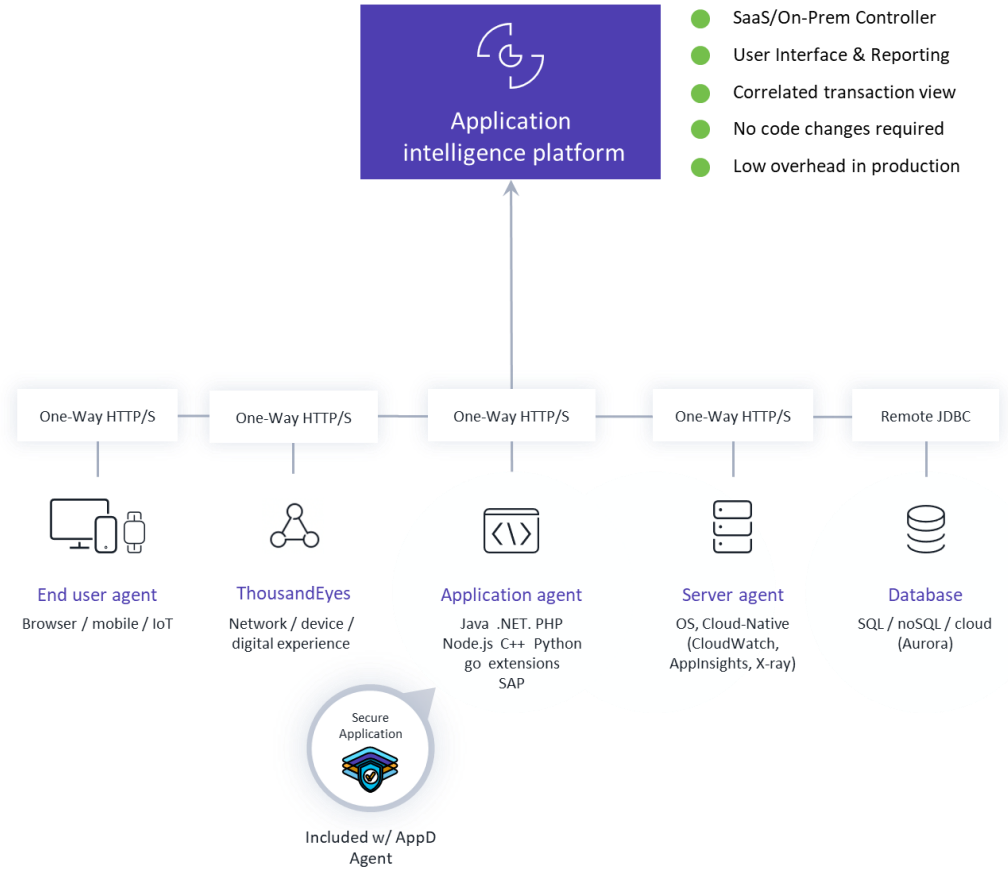

Full-Stack actions for the business

ThousandEyes

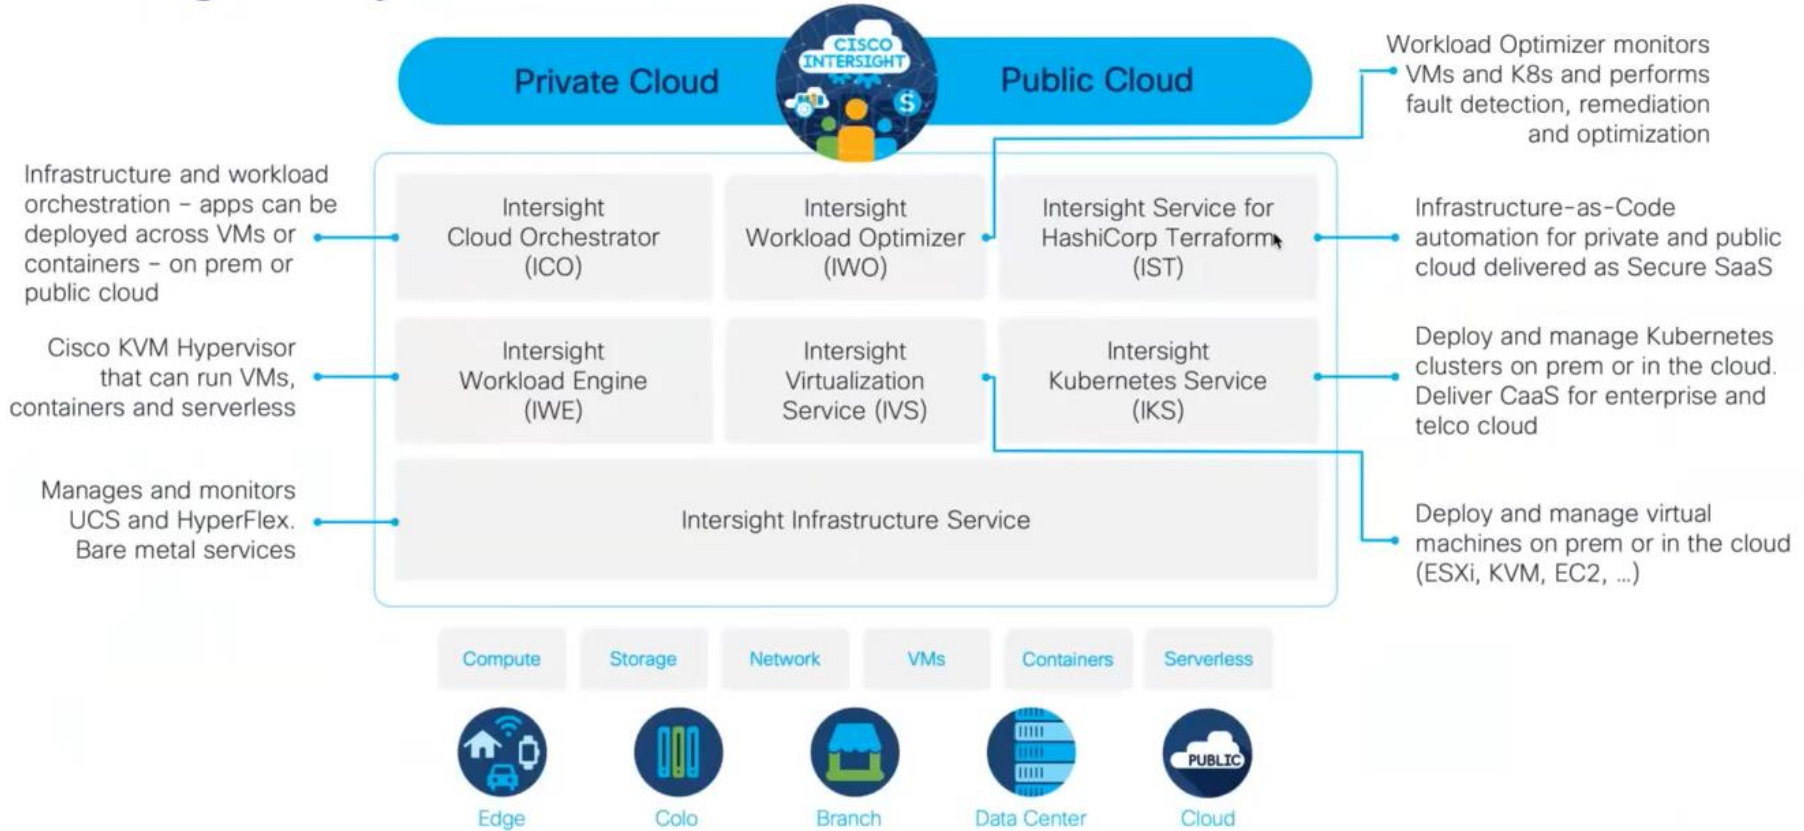

AppDynamics

Intersight

Intersight Hybrid Cloud Platform
