Supporting Educators: Adoption

Ramping up for Hybrid Education

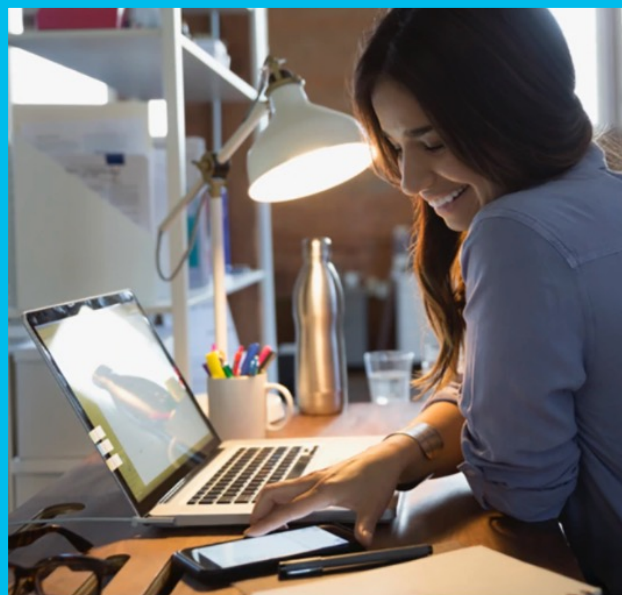

Our goal: Aid our educators, students, and parents in a smooth transition to hybrid learning

How?

- Webex resources per persona
- Video tutorials
- Live Online Classes & Recordings
- Email campaigns to Educators, Students, and IT
- An active Education Community
- Training badges
- Free field trips

Result: over 1 Million views on edu content

Prepare your students for the digital future of tomorrow.

Welcome to hybrid learning

It's more important than ever to keep classrooms connected.

We're here to support teachers, faculty, students, and parents/guardians in the transition to hybrid or virtual learning. On this page you'll find materials to learn how to teach remotely, guides for learning from anywhere, and resources for IT admins to rapidly plan, deploy, and onboard users.
