

[Cisco G+ Hangout On Air]

Join VP of United Computing Marketing, Jim McHugh, and Cisco Data Center experts for a discussion about **UCS management with UCS Manager and UCS Director**.

When: Friday, August 9th, 11-12PM PST

Where: [+Cisco Data Center & Cloud](#) page

Topic: How using UCS Manager and UCS Director can enable a whole new approach to simple server and integrated infrastructure deployment.

Note: If you couldn't make it, this Hangout On Air will be recorded and available for playback later. Remember to use the hashtag #Ciscohangout to stay in the loop!
