Connect with your hallmates

If you're not already in a Space with your hallmates/suitemates, start one yourself.

Meet up

Webex Teams allows you to stay in touch and make plans with groups.

**At University
Name here,
we use one app
for everything:
Webex Teams**

Download the Webex Teams app and log in with your institution email today.

Be on the lookout!

**Some teachers will use Webex
for class communications too.**

Get class announcements
right on your phone.

Use class chat to get questions
answered faster.

Join some classes remotely over
video if you can't make it in person.

Have one hub for group project
communications, including easy
file storage.
