

A hub for your club

A new semester, new faces and the same goal: Keep the best people in your club and make an awesome impact.

Connect your members through Webex Teams. Use one place to post update messages, upload meeting agendas, and have video meetings, from anywhere and any device. Webex Teams can help with recruiting too.

PRO TIP

Webex has emojis and gif's, keep communications fun.

1. Create a team

Add current club members to your team Space.

2. Plan the Spaces you need

Make a conversation Space for the leadership team, another one for general members, and a public Space for anyone to join for introductory information.

3. Welcome message

Send a welcome message explaining what each Space is for, how it will run and what to expect.

4. Get a link to share

Add the Eurl Bot to the public facing Space, so you'll have a simple link to share with recruits to add themselves.

5. Meetings

When everyone can't be at the meeting in person, add Webex to the meeting so people can join remotely.

Keep your club both close knit and growing.
