

# Hi there!

Join a connected community at  
*Fill in University name here*

The whole campus is **in your pocket** on Webex Teams. Stay in the know on the go.

## **Classroom questions**

Your professors and class updates are all in one place so you always get your questions answered.

## **Club chat**

There's a club for every hobby. We've made it simple for you to join conversations so you can find your community.

## **Connect across campus**

Everyone is accessible: your resident hall, your study group, or someone you just met in the coffee shop.

Always be invited to the best campus events for you, stay up to date with news, and reach anyone you need on Webex Teams at *University name here*.

## Become part of our connected campus

Webex is our tool for classroom communication, group chat, and virtual video meetings university wide.

### In the classroom

- Join lectures anywhere, on your mobile or laptop.
- Use virtual Office Hours to meet your professor from anywhere, or chat 1:1.
- All class files, in one place, and easily searchable.

### Club chat

- Join public Spaces for clubs or organizations.
- Use private Spaces for internal planning.
- Don't miss a club meeting if you can't come in person.

### Student life

- All your group project discussions, in one place.
- Message anyone with your institution email address.
- Feel connected with campus-wide announcements.
